Re: **Federal Trade Commission v. Hackensack Meridian Health, Inc. et al., Case No. 2:20-cv-18140-JMV**

Dear Judge Vasquez:

McDermott Will & Emery LLP represents third party The Chartis Group (“Chartis”). Chartis Principal Sue Anderson will be testifying as a witness at the hearing.

I understand that you have directed third parties, such as Chartis, to write to advise you who will be attending the hearing on behalf of the third party. I will appear on behalf of Chartis at the hearing along with Noah Feldman Greene, also with McDermott Will & Emery. I request permission to attend the hearing on our behalf.

Please let me know if there is any other information I can provide.

Best regards,

Katharine O'Connor
